## About

**United Military Care is a non-profit created solely to assist veterans; to help ensure they can live their best life every day. Our mission is simple - no veteran should go hungry, be homeless or forgotten.**

Christmas is a time of joy and of anxiety for Veterans and their families. Unfortunately, there is a rising number of female veterans (some with children) who are facing homelessness and grandparents who are raising grandchildren. These folks may be able to provide on a monthly basis with no unexpected expenses, but let's face it, Christmas is a big expense that doesn't always fit into a monthly budget.

United Military Care provides a simple Christmas Toy Shop at our office for military parents to shop for their children (and grands). The toys, games, books and sports equipment are new and donated by caring, compassionate organizations. The family parent can shop and even have the toys wrapped to take home. Each year families also receive a bag of non-perishable items to help fill their pantry and often a gift card. We also have a stock of new socks, undergarments, hats & gloves for the entire family. Our program helps Veterans and active duty military families create a wonderful, happy Christmas.
